

Subject: February Uganda Trip,  
Date: Sat, Jan 13, 2018 at 1:58 PM  
To: [Bob@ugandamission.net](mailto:Bob@ugandamission.net)

My plans are to return to Uganda on February 7. A tentative ministry schedule is below.

- Wed Feb 7 - Depart for Atlanta and Amsterdam and arrive Entebbe, Uganda and February 8
- Fri Feb 9 - Meet with some leaders to plan for future trip and preparation for this trip
- Sat Feb 10 - Depart for Mityanna District for ministry at church plant at Nyanzi and then on to Kyamagemule for the evening
- Sun Feb 11 - Teach Sunday School and preach at Kyamagemule and see construction progress on elementary school there and return to Entebbe Road guest house
- Mon Feb 12 - Wed Feb 14 - teaching church leadership seminar with the 20 men (same group as in 2017)
- Thu Feb 15 - Ministry at Bethel High School
- Fri Feb 16 - Ministry at Seeta Nazigo church and school
- Sat Feb 17 - travel to Kiroba for afternoon visitation
- Sun Feb 18 - Preach and teach at Kiroba church plant and afternoon visitation
- Mon Feb 19 - Return to Entebbe Road guest house
- Tue Feb 20 - Ministry at Bethel Junior School
- Wed Feb 21 - Ministry at Bethel High School
- Thu Feb 22 - Meetings and ministry with individuals
- Fri Feb 23 - Return to Amsterdam and home

As always, I will be distributing [Light a Hut solar lights](#). This program is becoming more valuable as I am now working to incorporate [Third Millennium Ministries](#) (Biblical Education For the World, For Free) into my Uganda ministry. 3rd Mill is overseen by Dr. Richard Pratt of Reformed Seminary in Orlando. They present an entire year of theological education on a 32GB Micro SD card (smaller than a dime) for free. Most smartphones in Uganda are Android and have a micro SD card slot built in. So with an [Android smartphone](#) that costs \$115, a solar light with built in phone charger, and the 3rd Mill materials, world class theological education comes to a remote Ugandan village. The student works with the materials on their phone and then interacts with 3rd Mill in Orlando via the Internet. I have identified five young men so far who already have the necessary phones and 3rd Mill has sent me the SD cards for them. Join me in prayer that this ministry will increase in the months to come.

I have twenty-one new [sponsorship opportunities](#) at Kyamagemule. Please help spread the word. School begins there in three weeks and we need to find these kids sponsors.

Please check the complete list of [ongoing projects](#) that we can always use help with.

While in Uganda, I occasionally post videos on **Instagram**. If you would like to see them, follow me @bhayes409

Thanks,
