In the month of May we had the following activities:

- Three days of School of Evangelism with Dr. Krabbendam in Tororo diocese where a number of people came to Christ as we went out to the rural areas of the village to share
- We held another School of Evangelism in Busembatia and again we had door to door ministry to the small town where Islam is dominant in this small town.
- I was invited to preach in a small Pentecostal church and six people came to the Lord
- We held an open air crusade in Kumi town and eight people came to the Lord
- I led a team of 60 people from different churches to Soroti Government Prison and after preaching the message: *New Life in Christ* (2 Corinthians 5:17 - Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come) and we had six prisoners pray to call on the name of the Lord.
- Last month when I was sick and admitted to the hospital, I witnessed to some kids who came to see me in hospital, I did not ask them to made decision but taught them how to pray to ask for eternal life.

These all were achieved by the power of the Holy Spirit.

I have continued to preach through the local radio reaching a potential of nearly 2 million people daily.

Prayer requests:

1. Ask God to provide me for more open doors for his work
2. Ask him to grant me good health and strength to continue doing this
3. Ask him to lead me to hearts willing to listen the gospel
4. May he continue to provide for my travel and physical needs as well
