**Subject:** Leonard Isodo Update for December 2017

Leonard Isodo, December Ministry Report (Previous Isodo Updates are available [here](#))

- Radio ministry 7 times and very good response. This ministry is changing many lives although the time given is short. We are only taking advantage of the free time given by the management of the radio
- Prison ministry three times and we gave a Christmas party to them, and because of our prayers some of the boys were released from prison.
- Hospital visitation twice
- Film show once
- Street preaching is ongoing
- Preaching in Funerals five times and is always attended by many people. In one funeral one person gave his life to Christ.

I will have the new motor-bike this weekend. We were in Soroti yesterday for it. Will send photo as soon as I can.

**Two notes from Bob Hayes:**

1. Note from Bob: AOL has changed their email interface and the ability to easily insert photos with captions has not been imported to the new interface so all the photos as below without captions
2. This group has been providing Leonard with monthly support to fund his ministry. One of the group participants is no longer able to help so if you can help a little more, it would be great.
