To all of you my brothers and sister; I want to say thank you for your support in 2021. More people listened to the gospel last year because they were in trouble with Covid. I love the fact that God uses difficult times to draw people to himself.

I am requesting for you double help to facilitate me .Fueling the motorcycle and also something to eat. I am out in the field every day, except one day a week when I need to rest. Some days I spend 3 hours and the longest day is 5 hours. 3 days a week I am on radio from 6am to 7 am.

I thank brother Martin Odi, this man is a rare jewel because of his faithfulness with money.

Leonard
