

Just a quick note to say I am well on my way to Uganda. I have ministry items on Thursday and all day Friday at Seeta Nazigo with Moses Odokaje. On Saturday five others will arrive, including my son-in-law, Fred Schreiber. On Sunday we will all go for ministry at the Kiroba Church plant, discipleship and evangelism training, then door to door evangelism and an open air campaign.

Next Thursday and Friday we will assist Dr. J. D. Bonner with an eye clinic at Lookout Ridge Guest House.

Most of the team will leave Saturday night. On Sunday, Fred and I will travel to Kyamagemule for Sunday School and Church and to visit the school we help there.

Then on Monday - Thursday we will have the second installment of church leadership training at Lookout Ridge.

We certainly appreciate your prayers on our behalf and especially that we would see fruit from the evangelistic outreach at Kiroba.
